<p>Kirsten is one of my favorite people. I look forward to having him in my class, discussing film and TV with him in my office, and watching his projects. He is so creative!</p>	<p>Kirsten will graduate in May 2025 if he takes 18 credits each semester and pass everything.</p>	<p>Meet with Kirsten to discuss adding ART 220 and changing from BA to BS. Speak to Chair about waiving D+.</p>
<p>I have suggested to Kirsten that he travel to Las Vegas in April for the National Association of Broadcasters Conference. I go every year. He would enjoy the technology and speakers.</p>	<p>I recommend that he takes part in The Gotham EDU Summer Career Development program. This will expose him to a variety of film careers and experts in the industry.</p>
